**A resident of Amelia Lakes,  
Charlie Moss passed away on Saturday January 19, 2019  
At Avow Hospice after fighting a long illness.  
He would have been 73 on January 22, 2019.**

**Residents that have been living in Falling Waters for a few years may remember Charlie when going to the pool. Charlie and his wife Sue were in charge of taking care of the pool for many years until Charlie's health interfered with what he enjoyed doing.**

**In those days the pool was Chrystal clear, the chairs were always clean, there was no running or children climbing the rocks or people carrying glass items or bringing drinks in the pool. Something we all miss today. Charlie will be missed by many friends and neighbors.**

**His wishes were not to have a funeral or an Obituary.**
