

Charlotte Leavitt

Charlotte Leavitt was 95 years old when she passed away on January 13, 2019.

Charlotte was laid to rest in Chesterfield, Missouri on January 16, 2019.

Charlotte's death was preceded by that of her husband of 71 years. Charlotte and Harold were original owners in Watercrest. They were high school sweethearts before they married in 1945. Charlotte nursed Harold back to health after he returned home from being held as a POW in Japan. She worked as a medical office manager in St. Louis and was a successful antiques dealer for 45 years in St. Louis and Naples. Charlotte was a fiery red head and had a temper to go with it. She loved to entertain and was a wonderful cook. Charlotte raised four children. She was a grandmother to six grandchildren and also had six great grandchildren. She looked forward to yearly visits from her family to Naples. She was always loving, supportive, and most generous. Although she could be cantankerous at times you never doubted her devotion and commitment to you. She loved both dogs and cats. May her memory be for a blessing. Expressions of sympathy may be sent to Marc Leavitt, 2415-7 Hidden Lake Drive, Naples, FL 34112.
