

ANNOUNCEMENT
To
Falling Waters Owners
January 30, 2019

Falling Waters Owners:

My term of office as President has expired. This memo will serve as my resignation from the Falling Waters Board of Directors effective January 31, 2019.

I intend to remain President of the Magnolia Falls Board. However, it will be represented on the Falling Waters Board by another member of the Magnolia Falls Board.

I take this opportunity to thank Board members for the many accomplishments we achieved together over the past three years. Those accomplishments are set forth, in part, in "The 2019 President's Report" which is posted on the Falling Waters website.

My major goal when I was first elected President in 2016 was to accomplish the pool renovation. All of the prerequisites of that project have now been completed. Another significant highlight for me was to have served and assisted the owners through the sudden devastation and aftermath of Hurricane Irma. It was hard work, complicated and stressful, but in the end, resulted in a deep sense of satisfaction for how smoothly and quickly our community recovered.

I also thank the owners of Falling Waters for their support and for the outpouring of well-wishes I have received over the past three years. Most of them were notes of appreciation for the Board's orderly conduct of business. You know how to reach me so don't hesitate to stay in touch! It has been an honor and privilege to serve the Falling Waters Community

In the performance of the my duties as a Board member, I have met many wonderful people here in our slice of paradise and have gotten to know many

whom I now consider to be friends. I will now focus on my Magnolia Falls responsibilities.

I trust that our work will carry forward for the benefit of our community in the coming years.
