

NOTICE

ROSEWOOD OWNERS

If you are a second story unit owner in buildings 1650, 1660, 1670 and 1700, please have your home watch person check for leaks before the roofing project has been completed. If you have current leaks, please email Guardian Management the building and unit number

Secondly, the Rosewood BOD's are seeking volunteers to be on a Fine Committee. Apparently, our Rules & Regulations and our Condo Docs have been repeatedly ignored. We are required now to enforce these rules and documents with a fine. If you wish to participate, please e-mail Rosewood's Secretary Roe Pellegrino at roeinmaples@comcast.net
