RE: Rosewood: Roof Cleaning and Painting Projects

To Rosewood Residents,

The roof cleaning will include all buildings around the lake and will start the first week in November.

The painting of buildings, stairs, railings, lanais, front doors, car stops, carports and the roll down storage units, will start the first week in November.

All broken car stops will be replaced.

Painters will complete one building at a time and the vendor will post what building they will be working on next.

All residents must arrange to have someone open the doors of the upper units so the rear lanais can be painted and their front door. The lower units must unlock their rear screen doors for entry. Cars will need to be moved from the carports of the building they are painting.

Please contact your home watch or check the web-site if you are not in residence to keep you informed when your building will be painted

Any questions please contact our office – 239-514-7432.

Thank You,

Mark Schadler
