

POOL UPDATE 11/08/2019

We have received confirmation that we are scheduled through the health department for our final inspection on Wednesday 11/13/2019.

There is currently only one inspector within their local office which serves Collier, Lee, and Collier counties. They are currently scheduling on a 5 day schedule. Compass explored other options for the inspection but none were approved.

If an opening comes up by chance, Compass will pursue getting the final inspection moved to that date. We expect the pool to be opened promptly following our inspection on Wednesday 11/13/2019.

POOL CELEBRATION RESCHEDULED

The Pool Celebration has been rescheduled to Thursday 11/14/2019 at 5:00 P.M. in the clubhouse. There will be hot dogs, good company, and music.

Thank you for your patience.
Regards,
Janice Schienke
