Obituary

Naples, FL — Kenneth D. (Ken) Woodward, 70, passed away on March 27, 2020, at VITAS Hospice Center in Naples, FL after a courageous 12-year battle with liver cancer.

Ken leaves his wife of 38 years, Nancy Woodward; his two sons, Stephen (Steve) Woodward and wife, Emily Hughes; Andrew (Drew) Woodward and wife, Sally; and his grandchildren, Maxwell, Nathaniel and Aaron Woodward.

Ken was honest, hardworking, and a good person, husband and father. He loved his Phillies, Eagles, and Wisconsin Badgers. He wanted nothing in life but the best for his family and to see his children succeed. He beat all odds. Few would have given him a chance to win his battle with cancer for so long.

The family would like to thank the following:

- Dr. Adnan Said and the other amazing healthcare angels at University of Wisconsin Health/Hospital, Madison, WI, for their incredible care over the past twelve years;
- Alz Support Network, Naples, for the loving support and care provided to both Ken and Nancy over the past couple of years;
- VITAS Hospice, Naples, for their compassionate care over the past six months.

Ken wanted to rest at sea. His ashes will be spread in the Gulf of Mexico at a later date.

For those who would like to remember Ken with a donation, please consider [Alz Support Network](#), 660 Tamiami Trail N # 21, Naples, FL 34102.
