Re: Distribution of Mailbox keys

In our last newsletter we mentioned that we would be installing new mailboxes.

We will be distributing the mailbox keys prior to the installation at the Clubhouse on Tuesday, June 16, 2020, from 11:00am-1:00pm. and on Friday, June 19th, 2020, from 11:00am-1:00pm. Keys that are not picked up during that time by the Owner or Condo Watcher can to be picked up at Rosewood's Management Company - Guardian at 6704 Lone Oak Blvd., Naples.

For the safety of their staff due to the Virus, their office is not open, however please call 239-514-7432 for an Appointment first and someone will be available. A mask is required and a Drivers License.

Please be advised that the keys will not be at the Member Center, as they are not responsible for the distribution of keys for Rosewood.
