

President's Message – June 24, 2020

WE ASKED FOR RAIN – AND WE GOT IT! By the middle of June, we had exceeded the average rainfall for the entire month. All the water walls, water features, and pond fountains are running again.

Our community is quieter than in past summers. We have fewer visitors and more of our residents have stayed longer than usual.

We hope you are all in good health and are following the mandates of your state as well as the CDC guidelines regarding the virus. As of this date, our community has no reported cases in spite of the rising positivity testing rate and new cases reported in the state. We encourage social distancing and appropriate use of face coverings when in the clubhouse and/or the member center, at the pool, and throughout our community.

Clubhouse and Activities

The Falling Waters clubhouse is open daily from 10 a.m. to 1 p.m.

No social activities will be scheduled in the clubhouse until the fall or possibly later. No calendars will be distributed for July – October. The board will continue to take appropriate actions to protect our community.

Member Center

Currently the Member Center is open: Monday, Wednesday, and Friday from 10 A.M. to 1 P.M. The staff can help you with any questions you may have.

Assistance is also available by calling 239-963-8660 and by emailing to info@fallingwatersdavis.com

Stay Well, Make Good Decisions

Janice Schienke

President

Falling Waters Master Board
