

## ANNOUNCEMENT

A long time resident of Falling Waters in Rosewood  
Marty Sinco, passed away peacefully at home the evening  
of Sunday, November 29, 2020.

Marty and his wife Joann are well known for arranging all the activities, parties and entertainment at the clubhouse, pool and deck for many years making Falling Waters kind of a resort community. There certainly will be a void not seeing or hearing Marty's voice.

As a resident of Rosewood, Marty was also one of the Board of Directors as Sergeant of Arms. He took his position seriously never missing a meeting. Sometimes it's the little things people do that others just take for granted as Marty always managed to have seating available for the nine association meetings. He also made sure the microphones were working and had batteries available. If you were at any of the Master meetings he was the one with the microphone assisting residents with questions, and at times he was quite comical.

If you happen to be a friend of Marty's then you were aware he would give you the shirt off his back as he was a very generous person, especially to those that always volunteered to help him. He also managed to show appreciation by having a volunteer party.

Marty knew of his heart condition which he experienced was getting weaker and we are sure in felt he would not make it to Christmas. With him possibly realizing this he decided he wanted to decorate his condo for Christmas even before Thanksgiving which he successfully completed and looked beautiful. He even managed to put lighting on his bushes. The day before his passing he went to the store early in the morning to purchase Poinsettia plants to be potted and placed in his front yard. Christmas gifts were also mailed out early for his family and friends.

Accomplishing what he set out to do, Christmas came early, so it was time for him to relax and in doing so he went to bed to sleep forever.

Marty will surely be missed by his family, friends and mostly by the entire community of Falling Waters.

A memorial service will take place on Monday, December 14, 2020 at Fuller Funeral Home, 4735 Tamiami Trl. E., Naples, 5:00pm-9:00pm, Service at 7:00pm . If you are unable to attend the service in person a link will be provided for viewing from your computer or phone at a later date.

In lieu of flowers, it is requested that donations be made to the Domestic Animal Service, 7610 Davis Blvd., Naples, Fl. 34104.

If you wish to send a card to express your condolences to Marty's wife Joann and family, the address is as follows: 1660 Windy Pines Dr. #5, Naples, Fl. 34112.
