

Gathering for Rose Zalecki

We lost a dear friend last week, Rose Marie Zalecki - former Master Board President/former Falling Waters II President/current Falling Waters II Vice President/20 year Falling Waters II Board Member.

We would like to invite any of Rose's friends, neighbors and well-wishers to briefly gather for some stories, tears, laughter and memories this Thursday March 18, 2021 at 6pm poolside.

Rose's oldest son, Ken, and his wife, Marsha, will be in attendance.

Sassy will not be in attendance, due to pool restrictions :) but her longtime Naples veterinarian has agreed to take her and care for her until they find a good loving home where she can live out her last days. No shelters just love and attention!!!

Of course, we will be outdoors in fresh air and will be observant of wearing masks to and from our chairs, which will be spaced apart appropriately.

This will be a simple no frills event. We just want to come together to say goodbye to our Rose and provide some Falling Waters memories for Ken and Marsha to take back to the family in Ohio, where Rose will be interred beside her late husband, John.
