

ROSEWOOD OWNERS

At our last meeting on April 23, our Rosewood President Rich Zitani announced that he sold his condo and will be moving the end of April out of Falling Waters. We thank Richie for his years of service to the Rosewood community as he will be missed but we wish him well in his new surroundings.

This has left our Rosewood board with only four members in which a couple are new to the board. We are currently in need of a replacement for a five person board. If you have interest in your community and wish to be part of it's accomplishments please send an e-mail requesting to be on the Rosewood board to our management company Marks@guardianpropertymanagement.net

Thank you,
