

## **Fabulous News!!!**

The Clubhouse is back in normal operation again! The fire panel has been replaced and tested, and Ron DiFabio has advised the barcode readers are functioning properly again, and we are given the green light to hold our activities inside including our regularly scheduled weekly activities (MahJong, Dominos, Texas Hold'em, etc.)

Thank you all for your patience and understanding as Falling Waters staff worked diligently at getting this issue resolved as quickly as they could!

Looking forward to seeing everyone back at the diverse array of activities we have to offer all of you.

Sincerely,  
Gina Shelton  
Activities Director

From, Gina
