

TOYS FOR TOTS

As Fall arrives, we begin to think of the upcoming holidays. It is a time for reflecting on our blessings, giving thanks, and sharing with others.

For many years, Falling Waters has participated in the Salvation Army who partners with the Marine Toys for Tots.

There are so many families in SW Florida who have lost so much this year. Our community was spared any significant damage for which we are all grateful. What better way to show our gratitude that to share with others.

Please give generously to ensure holidays that are a little happier for thousands of children in Collier County. Remember that children of all ages need toys.

The Toys for Tots boxes are in the clubhouse now. If you fill them, we will get them over to be wrapped and distributed.

Thank you for your generosity and your holidays are happy.
