Hello Falling Waters Community

It is the goal of the Falling Waters Activities Committee to keep social events fun and popular for everyone in our community.

This is your opportunity to give feedback on what you like best or changes you would suggest and to recommend new events and activities!

The Falling Waters Event/Activity Survey Form is 2-sided. We have left plenty of room on the back page of the form for you to elaborate on your ideas.

By January 15, 2023, please return your completed form by **placing your form** in the blue box in the clubhouse or **mailing your form** to:

Ann Bevins
2202 Hidden Lake Drive unit 1
Naples, FL 34112

Thank you in advance for your participation.
