To: Falling Waters Residents, Renters, & Guests

From: GINA SHELTON, Activities Director

While we're not even halfway through another fantastic season here in Falling Waters, I'm delighted to see the many "sold-out" activities you are participating in and how much we are enjoying all that Naples has to offer!

I've heard some folks aren't aware of scheduled events, so here's where you may see what's happening:

- Flyers: posted on the Falling Waters Neighbors Facebook page
- Printed activities calendar: posted on both the inside & outside bulletin boards, and the stack of copies (I try to keep up with!) on the Clubhouse table.
- Sign-up sheet: in Clubhouse on center table.
- E-Blasts: as new events are confirmed, an email gets sent to those in the FW website database advising a new flyer was added. Seek under the Planned Activities Tab.
- FW Website Calendar: monthly; activities, meetings, classes, leagues, events, etc. are listed.

The Clubhouse capacity is hitting an all-time high, and, while that is great news, it also means we need to restrict signing up outside guests to allow space for our FW folks as a priority. When signing up & paying for events, please help us by adhering to the following guidelines:

- Please PRINT First & Last names CLEARLY and include your phone number on the sign-up sheets!
- Only sign up for yourselves, unless pre-arranged with others that you are doing so for them. List each family/couple/guest separately. (This will help us with name badges & admission process.)
- If you don't recall whether or not you signed up for an event (& page 1 has already been removed by me), just sign up again, rather than call me to ask. I will edit out any duplicates.
- Do not deposit any payments unless your name is listed on the sign-up sheet.
- **Payments by CHECK:** Make checks payable to Falling Waters Activities (or just FW Activities). Please write separate checks for EACH event! You do NOT need to complete forms if paying by check, as long as your name is on the check and you indicate on the memo line what event you are paying for. (Amount will match up with number of folks you are paying, and if I have any questions, I will call you at the number you provided on the sign-up sheet.)
- **Payments by CASH:** Please complete a form and put cash and form into a sealed envelope.
- Payment forms are NOT for scratch paper; note pads have been provided for your use.
- Put deposits in the GREY LOCKBOX – not the blue one on the wall!

To help plan your upcoming schedule, here's a peek at what's been planned for March... *(Please realize dates/times, etc., may change, so refer to information on actual notifications once posted!)*
