

REVISED SEPTEMBER 29TH

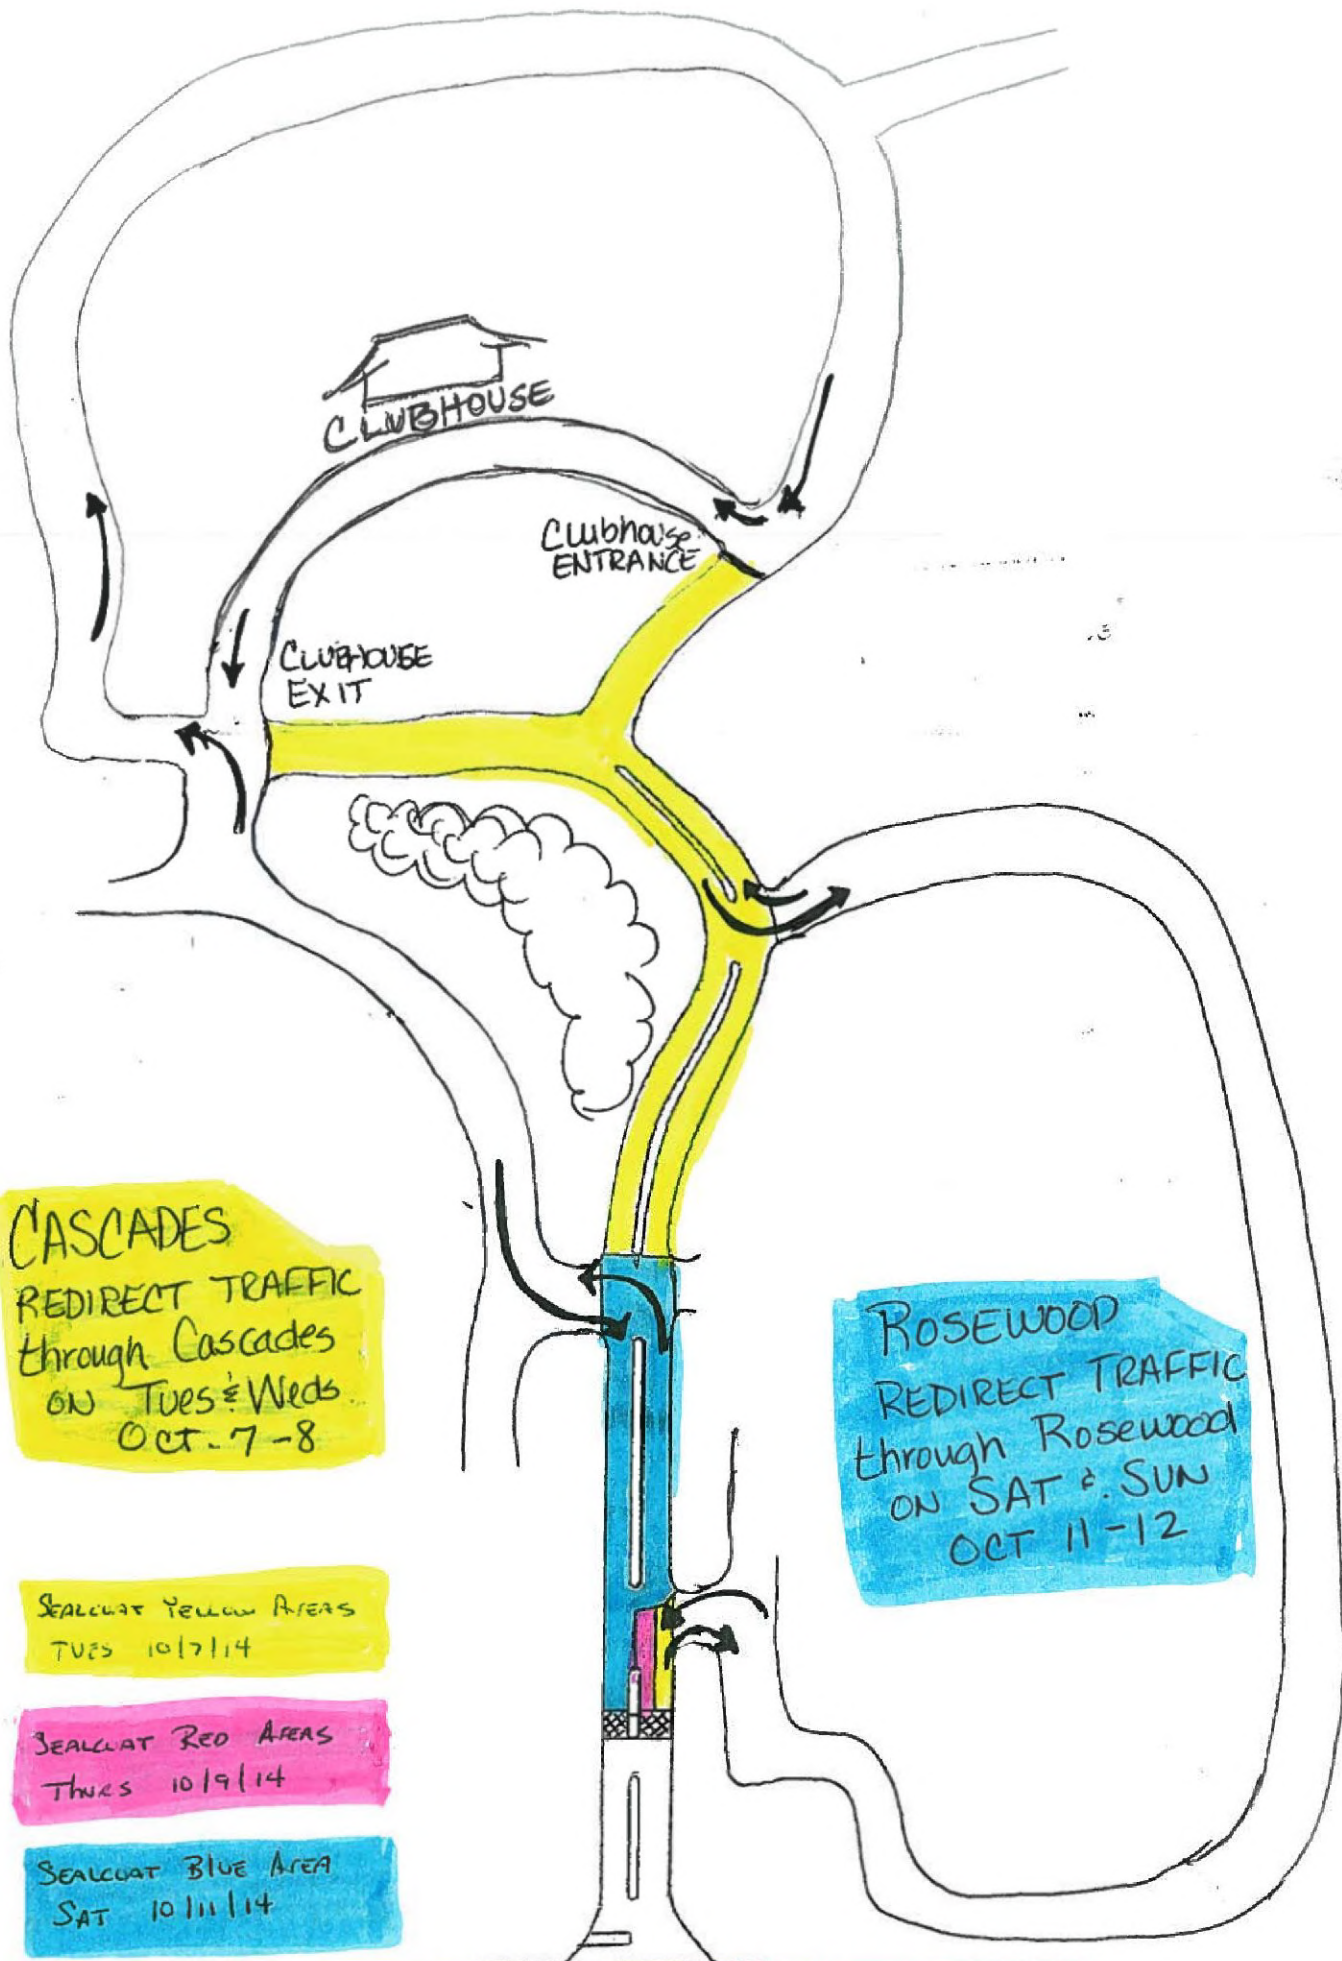

Dear Falling Waters Residents,

In an effort to maintain the integrity of the asphalt on Falling Waters Blvd., the association has contracted to have the asphalt seal-coated. There will also be repairs made to the asphalt according to the following schedule:

- Repairs to the asphalt on Falling Waters Blvd., Hidden Lake Drive, and portions of Hidden Lake Court will begin on Tuesday, September 16th and be completed on Friday, September 19th.
- Sealcoating on the Boulevard will be done in stages in an attempt to limit inconvenience to residents and still provide an operable gate on the entrance and exit sides of the gate house. Access will be limited. **Please refer to the color coded diagram located on the "Announcements" page for more detailed information.**
 - Stage 1 will be done on Tuesday, October 7th and will involve the entrance just past the gate house AS WELL AS the main boulevard from the Cascades entrance to the EXIT/ENTRANCE to the Clubhouse. **PLEASE NOTE, YOU WILL NOT HAVE ACCESS TO THIS SECTION OF THE BOULEVARD DURING THIS TIME, and access will be redirected through Cascades.** This section will reopen on Thursday morning, October 9th.
 - Stage 2 will be done on Thursday, October 9th and will involve the entrance just past the gate house.
 - Stage 3 will begin on Saturday, October 11th and will include the exit at the gate house and the main boulevard past the gate house, up to the entrance of Cascades. **PLEASE NOTE, YOU WILL NOT BE ABLE TO DRIVE ON THE BOULEVARD DURING THIS TIME, and access will be redirected through Rosewood.** This section will reopen early Monday morning, October 13th.
- Additional seal-coating will be done on Hidden Lake Drive and a portion of Hidden Lake Court beginning on Thursday October 16th – October 23rd. **ALL ROADS WILL BE OPEN DURING THIS PORTION OF THE PROJECT HOWEVER ACCESS WILL BE LIMITED TO ONE-WAY TRAFFIC AT TIMES.**

Please be reminded that this work will be a benefit to the community and we all appreciate your patience as this important project is completed! Check back to the website for updates to the schedule.

Thank you on behalf of the Falling Waters Master Board and Management!
